Asish Kumar Singh

Rishra, West Bengal, India | Aashishsingh1317@gmail.com | +91 6291876077 | linkedin.com/in/asish037 | github.com/Aashish037 | https://asishsingh.vercel.app/

SUMMARY

B.Tech graduate skilled in full-stack web development and mobile app development with React Native. Proficient in Python for backend services, REST APIs, and database management. A dedicated and quick learner ready to contribute to challenging software engineering projects.

EDUCATION

B.Tech in Computer Science and Engineering	JIS University North 24 Parganas, West Bengal
	2025, CGPA: 8.63
Higher Secondary Education	Grand Academy Lalitpur, Nepal
	2020, 84.40%
Secondary Education	Himshikhar Boarding School Kathmandu, Nepal
	2018, 90.00%

EXPERIENCE

Junior React Native Developer — Kus Software
Kolkata, India — *June 2025 – Present*

- Apps Names: Roadside Launch Rline Taxis Dri.
- Developed and maintained mobile applications using React Native,
- Developed key features and user Authenication of the apps.
- integrating with backend services and APIs.

PROJECTS

LetsMeet — https://meetup-steel-sigma.vercel.app/
NextJS, Typescript, Stream, Clerk, Tailwind CSS

- Developed a real-time video conferencing application replicating core functionalities of Google Meet, including audio/video streaming, screen sharing, and chat.
- Implemented a scalable architecture for handling multiple concurrent users and ensuring low-latency communication.
- Designed and implemented a user-friendly interface for seamless meeting creation, joining, and management, focusing on intuitive navigation and clear visual feedback.

GrubHub — https://github.com/Aashish037/GrubHub
React Native, Expo, Typescript, Nativewind, Expo-Route, Zustand, Appwrite

- Implemented core features including Google Authentication, a robust search functionality, and a seamless user experience with a responsive cart.
- Utilized Appwrite for backend services and data storage, ensuring a scalable and efficient architecture.
- Demonstrated proficiency in building a complete mobile application lifecycle, from front-end design to backend integration.

TECHNICAL SKILLS

Frontend: React Native, Expo, Next.js, ReactJS, TypeScript
Backend: Python, Django, REST APIs, Express.js
Databases: PostgreSQL, MySQL, MongoDB
Tools & Platforms: Git/GitHub, Docker, Figma, Android Studio, Postman
Languages: JavaScript, Python, C++

CERTIFICATIONS

Goldman Sachs Software Engineering Virtual Experience Program | *FORAGE* | *2024*
AI from Everyone | *DeepLearning.AI, Coursera* | *2023*
Practical Decision-Making Using No-code ML on AWS | *Coursera* | *2023*

ACHIEVEMENTS

- 1st Place– Internal Hackathon: Secured first position in a coding hackathon organized by JIS University.
